**Re: Fairfield Board of Education: 2014 Teacher and Administrator Negotiations**

Dear Mr. Flynn:

I am writing in connection with the Board of Education's upcoming collective bargaining negotiations with the Fairfield Education Association (Teachers) and the Fairfield School Administrators Association (Administrators.) Please know that under Connecticut General Statute §10-153d:

Within thirty days prior to the date on which the local or regional board of education is to commence negotiations pursuant to this section, such board of education shall meet and confer with the board of finance in each town or city having a board of finance, with the board of selectmen in each town having no board of finance and otherwise with the authority making appropriations therein. A member of such board of finance, such board of selectmen, or such other authority making appropriations, shall be permitted to be present during negotiations pursuant to this section and shall provide such fiscal information as may be requested by the board of education.

The Board of Education's commencement date for negotiations pursuant to Connecticut General Statute Section 10-153d is August 3, 2014. To comply with the above-referenced statute and its 30 day "meet and confer" provision, the Fairfield Board of Education will meet on July 15, 2014 at 7:00 p.m. at the Fairfield Board of Education Offices, 501 Kings Highway East, Fairfield, CT. Your attendance is invited, and I ask that by return correspondence to Meg Brown (mbrown5@fairfieldschools.org) you confirm the attendance of the Board of Finance at this meeting.

As well, I also request that said return correspondence indicate whether the Board of Finance intends to have an observer at either or both of these negotiations and if so, that individual(s)' name.

Please feel free to contact me with any questions.

Sincerely,

David G. Title
