

FairTV (Fairfield Education and Government Access Television)
Meeting Agenda
Sullivan Independence Hall, 2nd Floor Conference Room
Wednesday, January 29, 7:30 PM

This is a special meeting, required to finalize information needed to provide the 1st Selectman with all appropriate information regarding projected FairTV activities for the 2014-2015 fiscal year. Associated personnel matters will be a substantive part of the meeting.

Because of the nature of the discussions, it will not be possible to easily separate out these personnel discussions from other related discussions. It is therefore expected that most, if not all, of the meeting will take place in Executive Session.
