Minutes of May 6 FairTV Committee
Sullivan Independence Hall, First Floor Conference Room

The meeting was called to order by Chairperson Jim Kennelly at 7:06 pm. In attendance were members Thomas Flynn and Mary Hogue. Alexis Harrison had emailed that she would not be able to attend. Gerry Speno, Systems Manager, could not attend due to his commitment to video the special RTM meeting that evening, which had started at 7:00 PM at Fairfield Warde.

The meeting minutes from the April 1 meeting were reviewed and approved (Motion to accept minutes: Hogue, second: Kennelly: Vote 3-0 to accept).

Gerry Speno had submitted his monthly report but was not in attendance to answer questions. His report will be reviewed when he is able to attend, hopefully, at the June 3 meeting.

Tom Flynn reviewed the April 18 CAC 2 meeting in Gerry's absence. Even with the present favorable (towards CAC 2) legal atmosphere in the Soundview hearings, CAC 2 agreed at this meeting to prepare a draft press release, outlining its value to the community, should the atmosphere change.

By meeting time Jim had been unable to submit the updated draft FairTV Commission document to Committee members for final approval before sending it to the RTM. He will do so. No date has yet been sent for this submission.

There were no requests from outside organizations for event coverage by FairTV for Committee review.

The meeting adjourned at 7:45 PM.
