Fairfield Education and Government Public Access Television

Minutes of July 8 FairTV Committee
Sullivan Independence Hall, First Floor Conference Room

This meeting could not be held because a quorum was not present. The next scheduled meeting will be in the first week of August. Members of the Committee are being polled as to whether there is a better date than the first Monday to hold meetings. The results of this will fix the date of the August meeting. The agenda of the August meeting will, if possible, be posted a week ahead of the meeting date to facilitate the public in their plans to attend, if desired.
