to read:

(b) Applications for boat slips in Town marinas shall be submitted only by permanent residents of the Town of Fairfield providing satisfactory proof of such residence, including the registration of a boat in their name. Such applications must be received by the Parks & Recreation Commission not later than March 15 each year, which Commission shall approve applications upon payment of fees established by the Commission not later than March 15. Any application received after this date will result in the loss of privilege to have a slip in the Town Marinas. At such time, the name of said applicant will be placed at the bottom of the existing waitlist.
