

## SHELLFISH COMMISSION SPECIAL MEETING

This is to notify you that members of the Fairfield Shellfish Commission will meet with David Carey and his staff at the CT Bureau of Aquaculture office, 190 Rogers Avenue, Milford, CT on Wednesday, August 29, 2012 at 1:00 pm.

We plan to discuss shellfish and water sampling and testing requirements in general, Bridgeport Treatment Plant bypasses, shellfish relay procedures in general for Fairfield, and specifically the procedures and requirements for the proposed clam relay to take place later this fall from Southport Harbor to the recreational beds at Sasco Beach.
