

Not-for-Profit Sub-Committee Charter

Problem Statement

There is no documented Town-wide procedure for a majority of the entities in the Town of Fairfield budget currently identified as “MISCELLANEOUS” and commonly referred to as “Charitable Contributions”. The Not-for-Profit sub-committee was formed by the Board of Selectman with representatives from all major branches of the Town of Fairfield government to define and direct the decision making process for said entities.

Goals

1. Recommend if taxpayer monies should be distributed by the Town of Fairfield on behalf of its citizens to Not-for-Profit entities.
2. Recommend a categorization to outside agencies for potential inclusion in the Town of Fairfield budget process.
3. Recommend a process for “MISCELLANEOUS” entity eligibility in the Town of Fairfield budget.
4. Recommend a budget review process for “MISCELLANEOUS” entities in the Town of Fairfield budget.
