

## **Not-for-Profit Committee Charter**

### **Problem Statement**

There is no documented Town-wide procedure for a majority of the entities in the Town of Fairfield budget currently identified as "MISCELLANEOUS" and commonly referred to as "Charitable Contributions". Upon recommendation of the Board of Finance, the Not-for-Profit committee was formed by the Board of Selectmen. The Not-for-Profit committee will include representatives from all major branches of the Town of Fairfield government and its mission is to make recommendations to define and direct the decision making process for said entities.

### **Goals**

1. Recommend a process for eligibility of "Miscellaneous" entities in the budget.
2. Recommend if taxpayer monies should be distributed by the Town of Fairfield on behalf of its citizens to Not-for-Profit entities.
3. Recommend a process for budget review of "Miscellaneous" entities in the budget
