RE: Request for Approval of Transfer of Uncollectible Taxes to Suspense in Accordance with CGS 12-165

In accordance with CGS 12-165, I am respectfully requesting the Board of Finance to approve transfer of tax accounts amounting to \$155,468.71 To the Suspense Tax Book.

To Be Suspended:

Motor Vehicle taxes: \$111,321.32

Personal Property taxes: \$44,147.39

The Tax Office staff has spent a considerable amount of time researching these accounts and reviewed them with me to determine if they should be put on suspense in order to have an accurate file of collectable accounts

I believe these tax accounts to be uncollectable and have not been paid at this time to the best of my knowledge.

Please note any tax transferred in this manner is still collectable if additional information is received and will be continued to be pursued by outside collection procedures if deemed appropriate.

Respectfully Submitted,

Cinda B. Buchter, CCMC
