

## ***Town of Fairfield Engineering Department***

### ***Working in public ROW Requirements***

February 1, 2018

Engineering Department Permits are required for certain work performed in a public right of way. This work includes but is not limited to:

- Driveway Aprons
- Sidewalks (See also Sewer Department for Street Opening Permit\*)
- Curbs (See also Sewer Department for Street Opening Permit\*)
- Storm Drainage in Street (See also Sewer Department for Street Opening Permit\*)

A Street Opening Permit will be required for **any and all** work performed within the public right of way. There is a **\$30.00** fee for a Street Opening Permit for a Driveway Apron issued by the Engineering Department. \*All other work in the road (Sidewalks, Curbs, Storm Drainage in Street, etc.) will require a Street Opening Permit issued by the Sewer Department.

All permits and additional information can be obtained at the Engineering Department Office:

Sullivan Independence Hall  
725 Old Post Road  
Fairfield, CT 06824
