

Permitting Procedure:

Due to the COVID-19 emergency, the permitting process has changed until further notice. While Sullivan Independence Hall will remain closed to the public, it is the Town's intention to maintain the permitting process in the following manner:

All application forms are available for download online.

A physical drop box will be located at the south lobby of Sullivan Independence Hall.

All application materials must be deposited into the drop box by 10:30 AM on Mondays, Wednesdays and Fridays only.

Town staff will circulate the applications to the appropriate departments and facilitate inter departmental review and sign off.

Application materials must include the email address of contact person for the application.

The relevant departments will send specific feedback on your permit application via email with notification regarding permit fees and how to mail your payment(s).

Approved permits will be emailed to the applicant. Permits will not be issued until fees are received.

Town staff will be available by phone and email to answer questions about your application or the process.

You may also scan and email your application material.
