MINUTES

MEMBERS PRESENT: Becky Bunnell-Chair, Don Lamberty-Vice Chair, Richard Dmochowski-Secretary

OTHERS PRESENT: Engineering Manager, Bill Hurley

1. Call to Order

Chair Becky Bunnell called the meeting to order at 7:00pm.

2. To Hear, Consider and Act Upon Minutes of the March 15, 2022 regular meeting

Richard Dmochowski had suggested corrections and gave a hard copy to the Recording Secretary.

Don Lamberty made a motion to approve the minutes as amended. Richard Dmochowski seconded the motion.

The motion carried unanimously.

3. Review of Master FECB project status

Engineering Manager Bill Hurley gave an update of the Master List of projects. Richard Dmochowski will update the list.

4. Update on CIRCA Grant request

The CIRCA Grant was received and engineering is in the process of getting the scope of work.

5. Other old or new business that may properly come before the Board

The Ash Creek Restoration process is being worked on by Conservation Director Tim Bishop and Ash Creek Conservation Association and FECB/FERB. They have applied for National Wildlife grants. The group wants

to plant trees on the sand spit and other areas. There will also be work done on the Jennings dune to pull out weeds and invasive plants so they can plant trees that will be good in the water. The grant request will be submitted through Bridgeport, and it will be considered a Fairfield/Bridgeport project. They will need someone with Coastal Engineering knowledge to write the grant.

6. Public comment

There was no public comment.

7. Adjourn

Richard Dmochowski made a motion to adjourn. Don Lamberty seconded the motion. The meeting adjourned at 8:31pm.

Respectfully submitted,

Pru O'Brien
Recording Secretary
